## ABOUT US

Core Care Cargo Packaging LLC is a leading provider of logistics, relocation, and packaging solutions based in the UAE. Specializing in both local and international moving, we are dedicated to delivering seamless, secure, and reliable services to individuals, families, and businesses (e.g., retail, corporate offices, hospitality, etc.). Our reputation is built on trust, care, and efficiency—ensuring that every move is executed with precision and professionalism.

Backed by a highly skilled team, advanced infrastructure, and deep industry expertise, we manage everything from packing and transportation to warehouse storage and cargo logistics. Whether you're relocating your home or managing a commercial consignment, Core Care Cargo is your trusted partner for movement and storage.

## MISSION

Our mission at Core Care Cargo Packaging LLC is to deliver efficient, reliable, and customer-centric logistics solutions. We simplify relocation and storage through tailored services that ensure safety, speed, and satisfaction for every client—locally and internationally. By combining modern technology, experienced professionals, and a deep commitment to care, we strive to be the preferred choice in cargo packaging, moving, and storage services across the UAE and beyond.

## VISION

To be the region's most trusted name in logistics and relocation, recognized for quality, innovation, and service excellence. We aim to expand our global footprint while continually evolving to meet the changing needs of our clients.

## CORE VALUES

### Integrity

We operate with honesty, transparency, and accountability.

### Customer Focus

Our clients come first. We tailor solutions to their unique needs.

### Reliability

We meet commitments with punctuality and precision.

### Innovation

We adopt new technologies to improve service quality.

### Teamwork

# OUR SERVICES

## Local Moving Services

Whether it's a villa, apartment, or office, our local moving services ensure fast, secure relocation within the UAE. We handle everything packing, loading, transport, and unpacking using premium materials and expert handling. With minimal downtime and full care, we deliver a stress free move every time.

## International Moving

Relocating abroad? Our door-to-door international moving solutions cover everything from export packing and customs clearance to road, air and sea freight. With a trusted global network, we ensure your cargo is moved securely, on time, and in full compliance with international regulations.

## Warehouse Storage Solutions

Our secure, climate controlled storage facilities are ideal for both short term and long term needs. Whether for personal belongings or commercial goods, we offer organized inventory tracking, systematic, and customized space planning. 24/7 surveillance and strict hygiene standards keep your items safe and accessible at all times.

## Automobile Relocation

Need to move your vehicle? Our expert relocation service ensures safe, scratch free, and on time transport with advanced equipment and secure handling from pickup to delivery.

## Groupage of Households

Save costs with our groupage service share container space for smaller moves while ensuring safety and efficiency. We handle packing, documentation, and customs so your belongings arrive securely and on time.

## OUR COMMITMENT

At Core Care Cargo Packaging LLC, quality, reliability, and customer satisfaction are at the heart of everything we do. From local moves to global logistics, we bring professionalism, care, and innovation to every service.

You're not just choosing a service provider. You're choosing a dependable partner.
